

COLORFUL SOAP

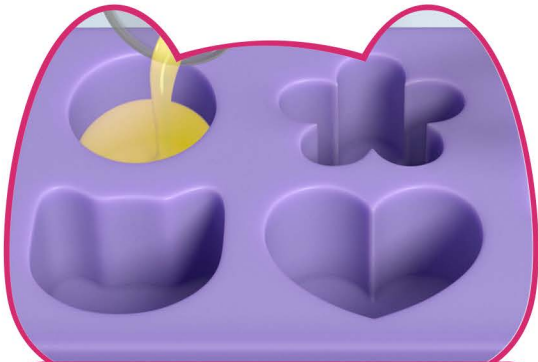

MATERIALS NEEDED: COLORFUL GLYCERIN, MULTI-SHAPED SILICONE MOLD, MELTING PAN, AND PLASTIC TOKEN OR TOY.

1. Pick your favorite super soap color.

2. With a grown-up, melt your special soaps over a stove.

3. Pour the melted soaps into your mold.

4. Pick your favorite plastic trinket and put it into the soap! Or you can keep it simple and go without!

5. Place in the fridge until hard.

6. These soaps are the bubbles!
