

KITTY EARS

WHAT YOU'LL NEED: Paper, pipe cleaners, scissors, pencil, glue stick.

1. Twist pipe cleaners together to make a headband.

2. Fold paper in half and draw kitty ears.

3. Cut them out - but not the folded part!

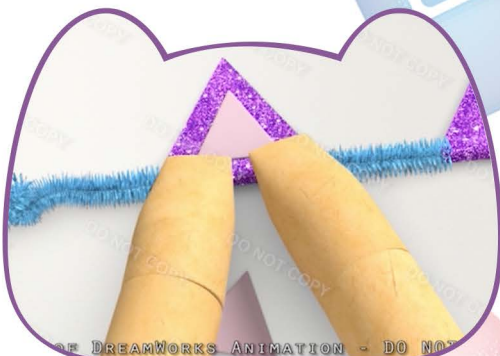

4. Wrap the ears around the pipe cleaner.

5. Glue the tops of the ears together.

6. Cut small triangles from a different color of paper.

7. Glue the small triangles to the ears.

8. Twist the pipe cleaner into a circle and be a kitty!
