

SPACE CHAIN

Materials needed: lots of colorful pipe cleaner! Optional: scotch tape and/or glue for extra stability.

1. Pick colorful pipe cleaners.

2. Bend the first one into a star.

3. Bend another one into a half-moon!

4. Now make a super swirly galaxy!

5. Crumble tinfoil into a planet.

6. Piers the tinfoil to create a ring like Saturn.

7. Now twist together!

You're out of this world! Amazing work!
